

ANDY VALDE

Creative and strategic Senior Graphic Designer with 10+ years of cross-industry experience leading high-impact visuals and campaigns for corporate and consumer brands. Expert in branding, motion graphics, video production and design systems with a proven ability to elevate brand storytelling. Hands-on design leader known for elevating craft, mentoring designers, and delivering integrated, multi-channel creative across digital, motion, and AI-assisted workflows.

EXPERIENCE

Freelance Senior Graphic Designer (Project Based)

Element Three (August 2025 - Present)

- Support creative production for 4+ clients, producing 50+ static and animated ads for luxury and RV brands including Grand Design, Newmar, and Airstream
- Design and scale digital advertising assets across web, social, and CTV platforms, delivering multiple responsive formats per campaign
- Edit and extend video content, including AI-assisted production, to support rapid-turn campaign execution under tight timelines

Senior Graphic Designer (Contract)

RR Donnelley (December 2025 - April 2026)

- Lead conceptual design and visual direction for proxy statements, annual reports, and ESG publications within high-volume reporting cycles supporting 10+ client engagements
- Supported 10+ client accounts within a 25+ client pipeline, managing multiple concurrent projects under compressed timelines ranging from same-day to multi-day turnarounds
- Designed editorial layouts, infographics, and data visualization systems that clarified complex financial and regulatory information for investor audiences
- Delivered error-free, high-visibility external communications through rigorous cross-functional review processes involving art direction, proofing, and project management

Senior Graphic Designer

Stericycle / Shred-it (January 2021 - July 2025)

- Led visual execution for 4-5 annual integrated marketing campaigns plus flagship reports (Data Protection, Consumer Safety, Corporate Responsibility), delivering multi-channel assets across web, email, social, and events
- Partnered with 10+ cross-functional teams including Marketing, Sales, ESG, Legal, and Executive Leadership to translate complex business initiatives into scalable visual communication
- Helped implement a structured project intake and DAM workflow, auditing and organizing thousands of assets to improve accuracy, compliance, and sales enablement effectiveness
- Maintained and enforced brand governance across digital, print, motion, and social channels, supporting consistent execution across global teams and customer touchpoints

Graphic Designer

Stericycle / Shred-it (January 2017 - January 2021)

- Supported cross-channel campaigns across digital and print, delivering assets for marketing, training, and internal communications across the organization
- Contributed to a major rebranding initiative for Stericycle and Shred-it
- Streamlined workflows by collaborating cross-functionally with departments
- Managed pre-press and high-volume print production, ensuring accuracy and brand consistency
- Delivered creative solutions for training, onboarding, and marketing
